## MEMORANDUM FOR THE RECORD

25X1A SUBJECT: Meeting with [ ] on DASITT Effort

25X1A 1. [ ] met with [ ] 25X1A  
 25X1A [ ] of the Collection Tasking Staff's PHOTINT Tasking Office. [ ]  
 25X1A requested the meeting to be briefed on the DCI ADP-T Support to  
 25X1 Imagery Task Teams's efforts. [ ]

25X1A 2. [ ] explained the origins of the DCI's and [ ] 25X1A  
 25X1A [ ] concern about the resource planning for automated data  
 processing support for the new imagery collection systems of the  
 mid-1980's. In considerable detail, he described the various tasks in  
 the contracting effort and the status of the study. He told [ ]  
 25X1A [ ] that he regretted the CTS decision not to participate full-time  
 on the study team, but praised the cooperation of individuals on the  
 COMIREX staff in briefing the DASITT. [ ] 25X1

25X1A 3. [ ] noted that excessive demands on the time of the  
 25X1A most logical participants precluded CTS participation. He asked [ ]  
 [ ] to consider him as the main point of contact in CTS for the  
 DASITT - at least until the COMIREX reorganization is completed. He  
 expressed a desire to see and comment on early drafts of proposed  
 scenarios and their evaluations.
